Hon Wm Lloyd Garrison

Dr. Sir.

Seeing it stated

that on the 13th of October, proximo,  
you proposed to notice the 60th anni-  
versary of your connection with the  
printing trade by "setting some  
type." I am authorized on behalf  
of the Herald folks to extend to you  
an invitation to "resume the stick"  
in this establishment, where, should  
you accept, all possible facilities  
will be provided
